

CITY OF CANTERBURY SWIMMING CLUB
(Affiliated to SCASA, EIASA)

After our successful Alanya Camp in 2010 the Club is planning to run another camp at Easter 2011 at the same location in Turkey. At this stage it is necessary to gauge interest and to estimate how many athletes we can take. Having learnt from last year our plan is as follows:

We will be using AVS as our agent (same as 2010)

Direct flight from London to Antalya. Coach to Gold City.

The pool will be heated, with anti-wave lane ropes, blocks, flags and clocks

The swimmers will be in the performance squads and/or over 13. Exceptions are possible but should be discussed with Tony.

This will be a 7 day camp starting 9, 10, 11, or 12 April (in line with school holidays and Youths Regional Champs)

Cost will be approximately £600 - £650 (depending on attendees).

Payment schedule will be July 15%, August 35%, September 35%, October 15% to maximize early booking discounts.

If you are 'interested' (interest only at this stage) please speak to Tony and sign-up at the notice board at Kingsmead.
